

# Abdullah Al Siam

## Junior Frontend Developer

Dhanmondi 4/a, Dhaka, Bangladesh • [abdullahsiam004@gmail.com](mailto:abdullahsiam004@gmail.com)

[Github](#) - [Portfolio](#)

Experienced frontend developer with 2+ years learning and 1 year professional experience. Proficient in crafting modern, high-quality user interfaces using HTML, CSS, React, and other technologies. Committed to goals, detail, and on-time project delivery.

## Professional Experience

Junior Frontend Developer

**KLWEBCO - Uttara, Dhaka**

February 2023–June 2023

- I was a maintainer of their internal product called AuthCMS, which helps developers easily create and update content of a Next.js application.
- Integrated the GPT Model to the AuthCMS.
- Integrated an email marketing feature into the internal product, enabling website owners to dispatch automated messages and select personalized email templates through the AuthCMS admin dashboard.
- Design various UI/UX templates for company's client.

Frontend Developer Intern

**WebDeveloperBD - Remote**

October 2022–January 2023

- I built several pages of the <https://drataullah.com/> website, including the student dashboard after registration, course dashboard, exam dashboard, course details page, and exam details page
- Learned various rendering techniques such as SSR & CSR.
- Learned more details about Strapi.io, which is a great tool for easily creating Nodejs APIs.
- Learned how to analyze a project for a client and how to handle and approach real-world problems during development.
- Learned multiple soft skills, including time management, client management, and project management..

## Skills

Javascript, React, Nextjs, Tailwind, Material Ui, Redux-toolkit, Prisma, Strapi
